WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and therefore are not publicly available.

STATEMENT

(In the space below, please provide the showing of unavoidable delay recited in paragraph 8 above.)

I suffer from a variety of medical conditions resulting from a head-on collision by a negligent driver. I suffer Traumatic Arthritis, PTSD, ADHD, and have had numerous visits to my doctor in regard to these problems. At the time when my maintenance fee's were due the arthritis moved into my knees and have crippled my ability to walk. So to have all these medical problems hit me at the time I should have been monitoring the USPTO due dates. The delay in payment was unavoidable until now.

- 1.) I became aware of the expired patent when I received the notice in the mail on 08/09/10.
- 2.) I called the USPTO assistance center for advice.
- 3.) I got the fee's due for the maintenance payment.
- 4.) I printed out the form PTO/SB/65 and submitted the form and fee's.
- 5.) Enclosed is a letter statement from my doctor.

RE: CLARK WILKINSON

DOB: 11/13/56

To Whom It May Concern:

I am writing this letter on behalf of my patient, Mr. Wilkinson. He has been under a doctor's care for injuries sustained in a head on car collision. He has been seen on multiple occasions for problems resulting from the accident over the past five years. He has problems with both physical functioning, as well as psychological functioning and exhibits evidence of PTSD in regards to this injury. His failure to pay his patent maintenance fees was unavoidable due to his medical conditions, of which he is still suffering.

If I can be of any further assistance, please feel free to contact me at the number listed above. I thank you for your time and care.

Respectfully,

Wendi S. Joiner, M.D.
